

2010 IOWA RED ANGUS CLASSIC ENTRY RULES & REQUIREMENTS

ENTRY DEADLINE: December 10, 2009.

ENTRY FEE: \$50 per lot. Refundable if not accepted and included in the sale catalog. Any animals that are catalogued and do not arrive and sell through the auction will be assessed a full commission rate based on the average selling price of that animal's class. (Substitutions can be made at the discretion of the sale manager). **LATE ENTRIES POSTMARKED AFTER DECEMBER 10 WILL BE ASSESSED AN ADDITIONAL \$100 FEE PER LOT. THIS FEE WILL NOT BE APPLIED TOWARD SALE EXPENSE.**

Each entry must include a signed entry form, entry fee and a signed original registration certificate (ready to transfer), including all breeding information on bred females.

Each consignor must be a paid member in good standing with the Iowa Red Angus Association. Dues are \$25. Make check payable to the Iowa Red Angus Association and send to Brad Revland; 4879 120th St., Thornton, IA 50479.

All cattle must be 100% 1A Red Angus. Any animal arriving at the Expo with disqualifying characteristics for 1A status or incorrect tattoos will be removed from the auction and assessed the full commission rate on the average of that animal's class. Every bull selling must be produced by the consignor and be tattooed with that breeder's unique tattoo code in the right ear. **CHECK YOUR ANIMALS AT HOME!**

In order to consign a bull, you must also consign a female. Maximum of two bulls per consignor – requires two female consignments.

Bulls must be 30 months of age or less by sale day or calved after August 16, 2007.

MINIMUM WEIGHT PER DAY OF AGE (WDA) REQUIREMENTS

Bull: 3.0# up to one year of age. Bulls beyond yearling must gain 3.0# to yearling and then 2.75# from 12 months up to 18 months. Bulls older than 18 months must meet minimum of 18 month requirements and must submit an actual weight on the entry form. Females: 2.25# up to one year of age. Females beyond yearling must gain 2.25# to yearling and then 2.0# from 12 months up to 18 months. Females older than 18 months must meet minimum of 18 month requirements and must submit on actual weight on the entry form. (Weight requirements are subject to weather consideration as decided upon by the sale committee).

All bulls must have a minimum 33 cm scrotal measurement (adjusted to yearling) as measured at the Red Angus processing, February 11th, by the designated sale veterinarian. Bulls will additionally be ultra sounded for Rib eye area, Intramuscular fat and Back fat. This information will be made available sale day. All cattle will be weight and frame scored.

All cattle must be clipped and fitted to the sale manager's approval before entering the barn. Any cattle not washed and clean must remain in the tie out area before being displayed in stalls.
