Cattlemen's Congress Red Revolution Sale Contract

The Cattlemen's Congress Red Revolution Sale will be held Tuesday, January 5, 2021 at the Oklahoma State Fairgrounds, Oklahoma City, Oklahoma.

As a seller, I agree to the following:

A signed certificate of registry for each animal or a signed Batch Transfer Form (including all breeding data on bred females) will be supplied by me to the sale manager to transfer these animals to the buyer through the RAAA office in Commerce City, Colorado.. If a signed certificate or Batch Transfer is not provided, I will transfer these animals directly to the buyer.

All animals must be eligible for interstate shipment. Interstate health papers prepared by an accredited veterinarian will be supplied by me to the sale manager on each animal sold and will include the pregnancy status on females selling as bred. All health certificates to be turned into the office of the sale manager at least 24 hours prior to the auction.

All animals or embryo/genetic lots that are catalogued and do not arrive at the auction and sell will be assessed a sale expense based on the average selling price of that animal or genetic lots class. I agree to pay Gilchrist Auction Co. this sale expense if my lots do not arrive and sell in this auction.

All animals and genetic lots will sell with a guarantee by the seller as outlined in the Red Angus Association of America Code of Ethical Sale Practices. It is to be clearly understood that all warranties, guarantees and refunds on any animal or genetic lot not meeting the standards of the RAAA Rules & Regs shall be made by the seller to the buyer upon proof of not meeting their representations in the auction.

All persons who attend the sale do so at their own risk. The seller, auction facility, and sale manager assume no liability for any accidents that may occur. Neither does the seller, auction facility or sale manager assume any liability for loss or injury to livestock due to theft, mysterious disappearance, sickness, improper handling or Act of God. It is to be clearly understood that the sale manager and its representatives act only as a medium between the buyer and seller.

All purchases must be paid at the conclusion of the auction and will require absentee or represented buyers to wire funds to Gilchrist Auction Trust by the 4th day following the auction.

Payment (settlements) for this auction will be made as timely as possible. As a seller, I agree that my settlement may be received up to 60 days after the auction. I also authorize the sale manager to hold my payment if cattle cannot be successfully transferred to the buyer for any reason or if in the case of embryos or semen proper DNA verification has not been filed with RAAA to register resulting calves.

The commission rate will be established by dividing the total sale expenses by the sale gross and then multiplying this rate on the sale price of each lot. Gilchrist Auction Co. will charge 5% for providing the auctioneer and sale management with all other expenses being charged at cost and computed in the final settlements. The goal of Gilchrist Auction Co. is for commission rate to be at 15% or less but the commission rate might exceed 15%

Absentee Bids -- The Seller hereby gives permission to the Auctioneer/Sale Manager to accept bids, at the Auctioneer /Sale Managers discretion. The Seller understands and agrees that if absentee bids are accepted that the Auctioneer/Sale Manager and their staff will place these bids on the Absentee Bidder's behalf in a competitive nature and that the Auctioneer/Sale Manager and their staff in doing so will be acting as a Dual Agent for the Seller and the Absentee Bidder.

The above terms and conditions of sale shall constitute a contract between the buyer and seller of each animal and shall be equally binding upon both. Each sale or resale of an animal constitutes a separate transaction.

The Sale Manager acts as agent between buyer & seller only.
